

“Enabling climate action in a can-do city”

STRATEGY GROUP

Tuesday 19th March 16:30 – 18:30

Merrion House Meeting Suite Rooms 3 and 4, Merrion Way, Leeds LS2 8PD

AGENDA

No.	Time	Item	Lead
1	16:30	Welcome, introductions and apologies	AG
2	16:35	Matters arising not covered elsewhere on the agenda <i>Notes of last meeting attached</i>	AG
3	16:40	Project Development and Finance workshops <i>To present the details of the project development and finance workshops to be run in 2019. All members are asked to promote these in their networks</i>	TK / AG
4	16:50	Position Paper on Hydrogen <i>Final version to be tabled for sign-off following Strategy Group consultation and to be published on Climate Commission website for wider comment</i>	TK
5	17:05	Standing Item: Future Funding and Resourcing <i>An update on the successful P-CAN Research Network involving Leeds, Edinburgh & Belfast announced at the Leeds Investing in Local Energy conference co-hosted by Leeds Climate Commission</i>	AG
6	17:10	Standing Item: Student research projects <i>To update progress on recruiting students for various Climate Commission related work</i>	TK
7	17:15	Low Carbon Roadmap (other Climate Commission groups invited) <i>The Leeds Climate Commission has prepared evidence needed to establish a science-based carbon reduction target for the city so that Leeds has a clear set of city-wide measures for all sectors, designed to deliver the city's contribution to achieving the United Nations goal of maintaining global temperatures increase by no more than 1.5°C. These will be reported to Leeds City Council's Executive Board in April 2019, followed by a 'city conversation' before a final report before the end of 2019.</i> <i>This work will be presented, followed by a workshop-style discussion to gather views from the Commission on the draft Roadmap and subsequent city conversation, utilising the Climate Commission networks</i>	AG ALL
8	18:15	Conclusion	AG
9	18:25	Any Other Business <i>Dates & Venues for future meetings</i>	ALL
